Conference

The main focus of the “PHP Serbia” user group has become the organization of our annual conference in Belgrade, Serbia. It is one of the highest rated IT conferences in the region, recognizable for gathering world - class speakers and delivering high - quality content, as well as engaging social and community aspects of the organization.

Workshops

Workshops will take place a day before the regular talks.

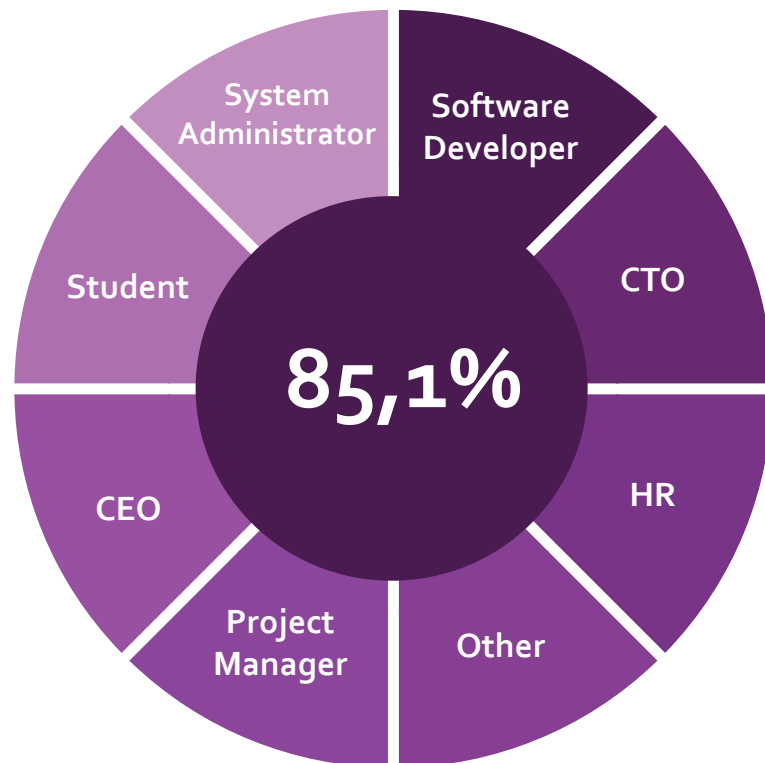

During the day we will have two types of workshops (tutorial and training) and each will have up to 25 participants.

Tutorial is a 3 hours class delivering hands-on, practical content to a total of 25 participants.

Training is a 6 hours class delivering hands-on, practical content to a total of 25 participants.
